The area proposed to be granted to the Rajah of Sandur, is still held on lease by the General Sandur Mining Co. The Rajah will get the lease only on the expiry (in Dec. 1953) of the present lease held by the Company. In this case, the Collector of Bellary has specifically reported that the area now proposed to be granted to M/s Dalmia Cement (Bharat) Ltd, is not covered by any other mining lease or prospecting licence. The area now under consideration is therefore quite different from the one proposed to be granted to the Rajah; and, this will not affect this Govt's recommendation regarding the lease to the Rajah
